CONSOLIDATED PROJECT REPORT

Web Development Activity-Based Learning

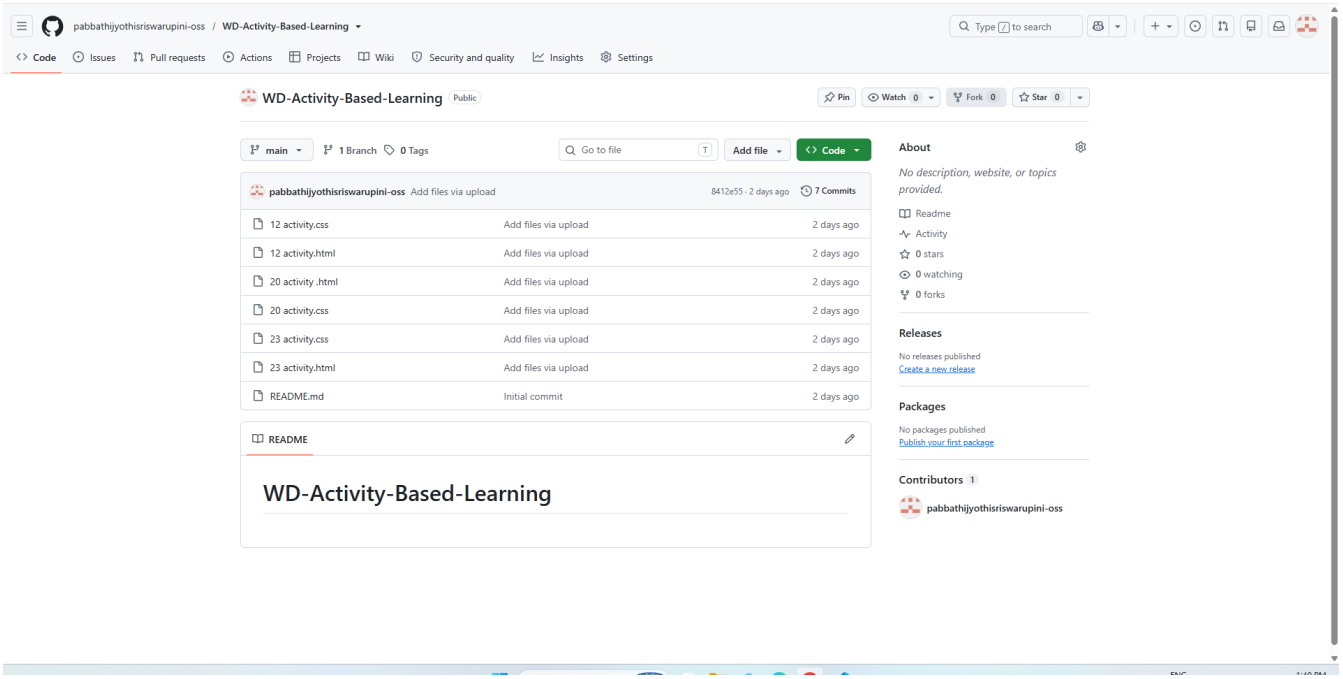

A combined visual report of the GitHub repository and three website projects shown in the supplied screenshots.

Project	Summary
GitHub Repository	WD-Activity-Based-Learning repository with HTML/CSS activity files and a README.
CarePlus Hospital	Doctor listings, appointment details, patient registration form, and available time slots.
Spice Garden	Restaurant landing page, menu, chef profiles, ambience, testimonials, visit details, and table reservation form.
GameZone	Gaming portal featuring popular games, tournament schedule, teams and players, leaderboard, and gaming news.

Prepared from 9 supplied screenshots. The screenshots are included as visual evidence; descriptions are based only on what is visible in them.

1. GitHub Repository — WD-Activity-Based-Learning

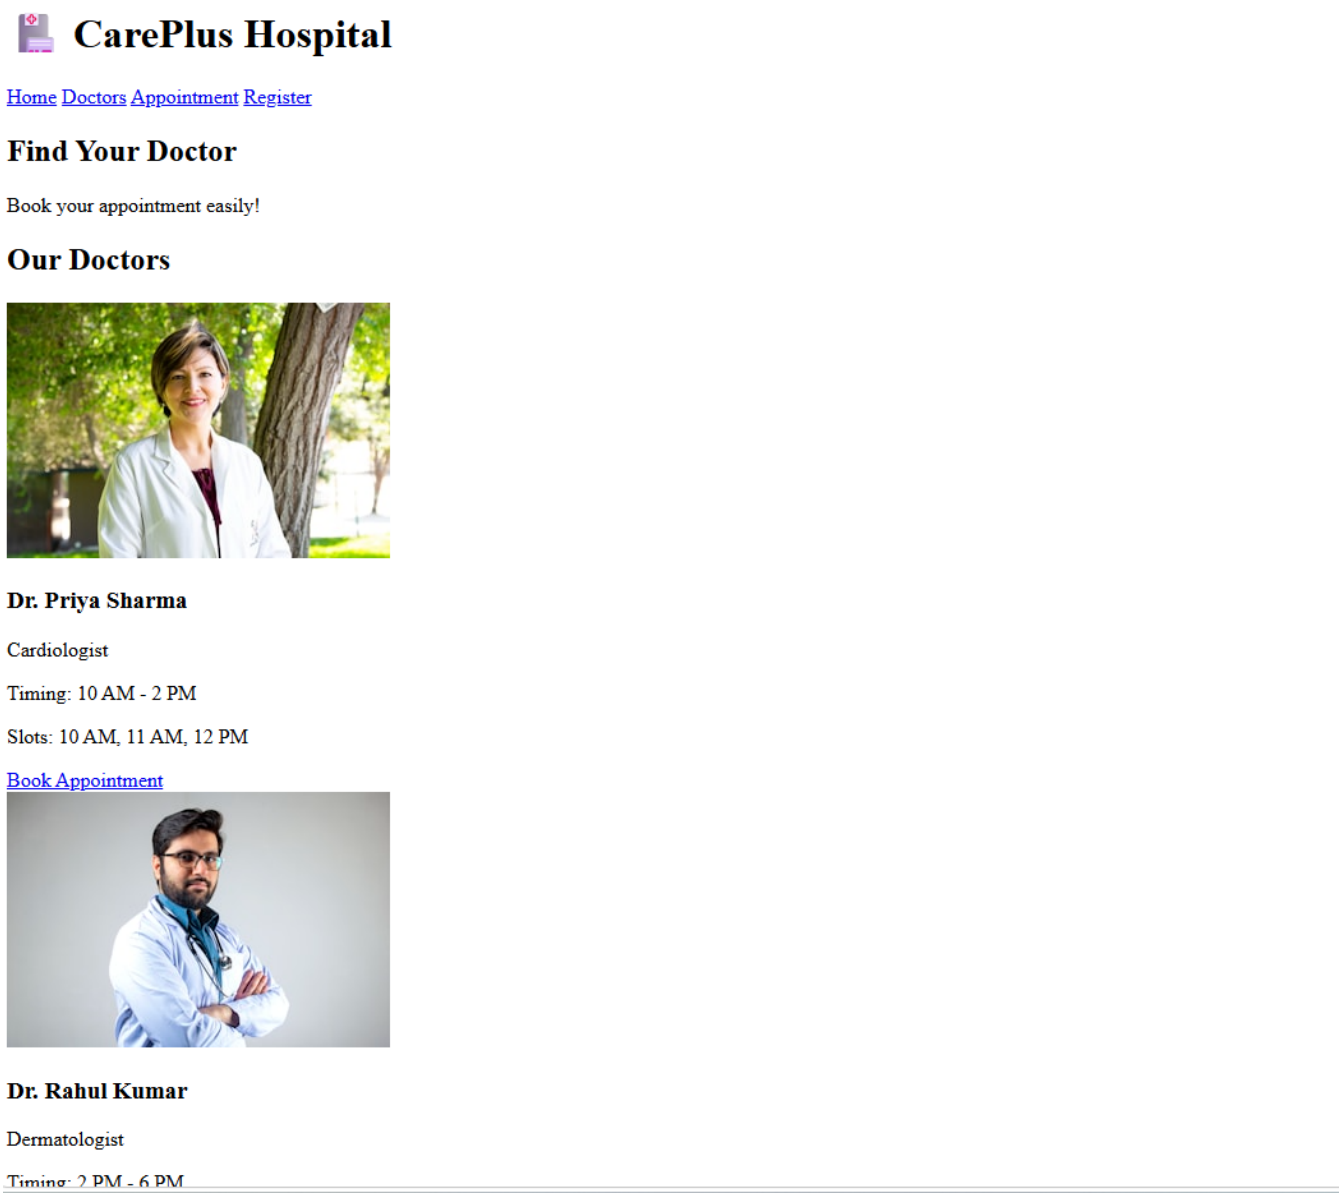

The repository screenshot shows a public GitHub project on the main branch. Visible files include activity HTML and CSS files for activities 12, 20, and 23, along with README.md. The repository display shows one branch, no tags, and seven commits.
